Norinchukin Capital Co., Ltd.

Notice of unauthorized access to the e-mail system used by the Company

There was a report that the "IIJ Secure MX Service" (hereinafter referred to as the "Service") of Internet Initiative Japan Inc. (hereinafter referred to as "IIJ"), an e-mail security service used by The Norinchukin Bank (hereinafter referred to as "the Bank"), the parent company of Norinchukin Capital Co., Ltd. (hereinafter referred to as "we" or "the Company"), was attacked by a third party.

We would like to inform you that we use the system in part provided by the Bank and also use this Service.

At this time, we have not received any reports of leaks of our customer information.

In addition, the Bank have received a report from IIJ that countermeasures have been completed and that there will be no further information leakage.

Please continue to keep attention of phone calls, SNS, phishing emails, etc. pretending to be from the Company or the Bank.

We will inform you again if we find out new facts that need to be announced in the future.
